Assumption University's Uniqueness and Identity

Uniqueness as an Institution Image

Assumption University of Thailand is an ***International Catholic University*** whose uniqueness as an educational institution is connected to its history, charism and mission. The University was founded by The Brothers of Saint Gabriel. This order was created by Saint Louis Marie Grignon de Montfort in La Rochelle, France in 1711, who opened schools for the poor, orphans and physically challenged. Education has been its priority and charism ever since. The word *charism* in general refers to a *gift* which comes from God. In a more specific way it refers to the unique beliefs that characterize an order of the church such as the Brothers of Saint Gabriel and its dedication to education. The Brothers of Saint Gabriel began its mission in Thailand in 1901. Assumption University of Thailand, founded in 1969, (better known as ABAC from its former name of Assumption Business Administration College) was the first university in Thailand to offer all classes in the English language. It became Thailand's first ***international university***.

Even though it is an international university, its uniqueness is connected to its role as a Catholic university. We understand a ***Catholic university*** as a Catholic institution of higher learning characterized by shared Christian vision and goals, reflection in the light of faith, fidelity to tradition and commitment to service (*Association of Catholic Universities and Colleges*). It promotes ***Catholic values***. These refer to the Gospel values expressed in the New Testament. The University emphasizes the core value of Christianity which is *love*.

Throughout the campuses, one encounters various ***Catholic symbols*** which express the University's charism. Throughout the university campus and its buildings and architecture there is a promotion of the teachings of Christ who proclaimed, "*I am the Way, the Truth, and the Life*" (*John 14:6*). It has also given a prominent place to the teaching of Christ concerning the value of the individual: "*You are the salt of the earth... You are the light of the world...*" (*Matthew 5:13-14*)

The University uses the statute of Our Lady as its symbol. It is a tradition handed down for centuries that Christians venerate the Mother of Christ as "the Seat of Wisdom". (*Sedes Sapientiae*). According to Christian belief, Christ is the wisdom seated on the Throne. This implies, on the one hand, that the Mother of Christ is the Dwelling Place of the Supreme Wisdom of all science. On the other hand, the university is the Alma Mater, or our Mother who is also the "Dwelling Place of Knowledge". In this context, "Assumption" which, besides its religious meaning in glorification of the Mother of Christ, has yet another meaning in Thai, namely "the Abode of Abiding Knowledge" Rightly, "Assumption University" is the Seat of Wisdom.

Also in connection with its charism, the University has erected statues and named buildings after St. Louis Marie Grignon de Montfort (who was the founder of the order), St. Peter, St. Paul, St. John Paul II, St. John XXIII, St. Gabriel, St. Rafael, St. Michael, St. Martin de Tours, St. Vincent Mary, Bernadette de Lourdes, Assumption, St. Philip & St. Bernard, St. Albert, St. Laurence, King David, King Solomon, and Queen of Sheba.

There is also a standard use of the Crucifix throughout the campus. The crucifix can be understood not only as the death and resurrection of Christ, but also the need of everyone to *die* to their body concerns and be reborn into a spiritual wisdom. This too is one role of education. These symbols can have great meaning for students of all faiths and even those who are without a religious faith.

The University has in its history recruited its ***Catholic leaders*** and presidents from the ranks of the members of the Montfort Brothers of St. Gabriel.

The University chapels hold various ***Liturgical services*** and sacramental rites. Special mass is celebrated to mark the beginning of the new academic year, Assumption Day, the feast of St. Louis Marie Grignon de Montfort, Christmas, Holy Week, Easter in addition to daily mass.

Identity of its Graduates

As a Catholic university, AU emphasizes the formation process of its graduates, even as it recognizes the wide diversity of cultures and religions of its students. This formation process can be summarized by three E's.

Ethics

As a Catholic institution, the University emphasizes the teaching of ***Ethics***. This involves fostering the moral values and building the character of students through university courses, conferences and other activities and formation processes based on the promotion of Catholic values.

Among these values, the University promotes ***Integrity, Social Consciousness, and Discipline***. Integrity refers to honesty, reliability, credibility and accountability.
