The results of the survey in every respondents were that the *high* Satisfaction in almost items and in all aspects.

## **Preface**

This research project, Market Employers Satisfaction Index of Assumption University's Graduates Batch 46, was planned and conducted by Institute for Research and Academic Services (IRAS) to study the image and performance of Assumption University in terms of satisfaction. As seen and evaluated by Market Employers, various aspects of AU's image had reflected the overall satisfaction. The result of this research might help AU to know its status in the mind of Market Employers as well as provide guideline to develop its weak aspects in order to be competent and excellent and to promote it to be better known in academic industry.

IRAS collected data from AU's various groups of stakeholders --- 1039 Market Employers, --- from August 2018 to July 2019

IRAS would like to thank Rev. Bro. Bancha Saenghiran, the President of Assumption University. As well, IRAS would like to thank AU's personnel both lecturers and staff from various faculties and graduate school for assisting us in collecting data from Market Employers, as well as St. Martin Center for Professional Ethics & Service Learning for facilitating us to collect data from students. Last but not least, IRAS would like to thank all those respondents who provided valuable and useful data.
